Who needs an overseas holiday when an African Reserve is right on your doorstep? Trek to the Wanyama Village & Reserve and enjoy the new African inspired adventure starring Grew's Zebra and the very rare Scimitar Horned Oryx as they graze quietly on the field at the back of the hotel. A raised walkway will lead adventurers to a viewing tower in the middle of the field, where animal talks and close encounters around the watering hole will all be part of the adventure.

With 9 themed lands to explore, a zoo and sea life centre there is something for everyone - including a hotel should you want to stay over!

Especially Suitable For: Babies, Crawlers, Toddlers, Runners

Great place for the whole family...

Review by: Sachelle

We have toddlers, teens and adults in our family and found Chessington perfect for everyone! With wonderful rides for all ages and a great selection of animals to feed, pet or just watch. A great day out...
